In order to clarify the intellectual property license granted with Contributions from any person or entity, the Board of Directors of the Open Computing Facility (the "Board") must have a Contributor License Agrement ("Agreement") on file. This license does not change your rights to use your own Contributions for any other purpose. Please read this document carefully before completing and signing.

You accept and agree to the following terms and conditions for Your past, present, and future Contributions submitted to the Board.

1. Definitions.

- (a) "You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with the Board.
- (b) "Contribution" shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to the Board for inclusion in, or documentation of, any of the products or services owned or managed by the Board (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Board or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Board for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution".
- 2. Grant of Copyright License. You hereby grant the Board a perpetual, worldwide, non-exclusive, transferable, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

- 3. Grant of Patent License. You hereby grant to the Board a perpetual, worldwide, non-exclusive, transferable, royalty-free, irrevocable patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted.
- 4. You represent that you are legally entitled to grant the above license. If your employer(s) has rights to intellectual property that you create that includes your Contributions, you represent that you have received permission to make Contributions on behalf of that employer or that your employer has waived such rights for your Contributions to the Board.
- 5. You represent that each of Your Contributions is Your original creation. You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.
- 6. You agree to notify the Board of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
